

Youth and Climate Change Adaptation in Bangladesh

Presented by: Tanzima Shahreen

Adaptation Practices in Bangladesh

Youth Involvement in Climate Change Adaptation

Case of Nepal

- Nepalese Youth for Climate Action (NYCA) with youths from the South Asia and other mountainous countries had the action event as Mountain Action in COP .
- Youth consultation was organized during the preparation of NAPA
- Youths are running numbers of awareness raising and advocacy activities in Nepal such as school awareness campaign and youth summit, training

Case of Bangladesh

Youth of Bangladesh are still playing silent role
but.....

WHY?

Challenges

Youth involvement is not taken seriously yet in different sector.

Traditional education system

Lack of Adaptation concept mainstreaming or knowledge gap

Youth are focusing on Mitigation than Adaptation

What types of initiative can be taken for mainstreaming youth participation in Climate Change Adaptation?
