

3rd Asia-Pacific Climate Change Adaptation Forum
Adaptation for the private sector
Climate legal risk knowledge

Mark Baker-Jones

20 March 2013

Overview

Climate legal risk

- Corporations are leaders in adaptation
- What drives corporations to adapt?
- Use of the law to achieve goals
- Corporations operate within a legal framework
- Identify points of exposure and vulnerability
- Solutions are not always obvious, but they are there
- Climate legal risk provides opportunity
