

Macajalar Bay Development Alliance (MBDA)

**Misamis Oriental
Mindanao, Philippines**

Macajalar Bay, Misamis Oriental

Background

- ▶ Macajalar Bay is the catchment bay of the Cagayan River Watershed and Tagoloan River Watershed.
 - The watersheds straddle the two provinces of Bukidnon and Misamis Oriental in Region 10, Northern Mindanao.
- ▶ It covers 1,521 sq km consisting of protected forested areas and various land uses, such as agricultural farming, regular land clearing, large-scale plantation, and mining.
